## NSW Year Book 2003

### NSW YEAR BOOK 2003

**New South Wales Year Book, 2003** (cat. no. 1300.1) was released in May 2003. It provides a comprehensive statistical overview of the prevailing economic and social conditions in NSW in 2002. For more information on the NSW Year Book 2003 contact Cameron Sach on

(02) 9268 4376, email: [c.sach@abs.gov.au](mailto:c.sach@abs.gov.au). In addition, **Year Book Australia, 2003** (cat. no. 1301.0) was released in January 2003, and is available in hardcopy or on CD-ROM.

## Regional Statistics NSW

### REGIONAL STATISTICS NSW

**Regional Statistics NSW, 2003** (cat. no. 1362.1) was released in May 2003. It contains a range of data for each Local Government Area and Statistical Division in NSW. The data include: area; population; births; deaths; building activity; tourist accommodation; agricultural production; local government finances; and an index of remoteness. It also contains regional data on labour force status, educational attainment, crime, carers who are employees, work in culture and leisure activities and teleworking. For more information contact Allan McLean on (02) 9268 4795, email: [allan.mclean@abs.gov.au](mailto:allan.mclean@abs.gov.au).

## Australian Social Trends

### AUSTRALIAN SOCIAL TRENDS

**Australian Social Trends, 2003** (cat. no. 4102.0) is due for release in June 2003. This year's issue has a regional and rural focus. It contains 30 articles presenting statistical analysis and commentary on a wide range of current social issues including: population; family and community; health; education and training; work; economic resources and housing. Each chapter is supported by a set of social indicator tables providing an overview of social change over the past decade, and a snapshot of differences across Australian states and territories. For more information contact Marelle Rawson on (02) 6252 7187, email: [marelle.rawson@abs.gov.au](mailto:marelle.rawson@abs.gov.au).

## 2001 Census Data

### 2001 CENSUS DATA

**Census of Population and Housing: Population Growth and Distribution, Australia** (cat. no. 2035.0) is due for release in June 2003. It provides information about the population changes that have taken place in Australia between the 1996 and 2001 Censuses. It includes information on the growth, location and mobility of the population at national, state and regional levels. A major emphasis is on the characteristics and volume of interstate and intrastate movements. Final estimates at the Statistical Local Area level for all of Australia are also provided. For more information contact Jacqui Cristiano on (02) 6252 5117, email: [jacqui.cristiano@abs.gov.au](mailto:jacqui.cristiano@abs.gov.au).

# Labour Statistics

## LABOUR STATISTICS

**Australian Labour Market Statistics** (cat. no. 6105.0) is a new quarterly publication. The first issue was released in April 2003. This publication draws together labour statistics from a range of sources, including household and business surveys, to provide an overall picture of the labour market. The first issue contains a technical report and two feature articles; Labour Force Survey Sample Redesign; Characteristics of Underemployed Workers; and Job Vacancies and Employment. For more information contact Lorraine Cornehls on (02) 6252 6079, email: [lorraine.cornehls@abs.gov.au](mailto:lorraine.cornehls@abs.gov.au).

Changes will be made to the ABS Labour Force Survey (LFS) product set from April 2003. The name of Labour Force, Australia, Preliminary (cat. no. 6202.0) will change to **Labour Force, Australia** from the April 2003 issue, released on 8 May 2003. Changes to the format of Labour Force, Australia will be introduced in September 2003. For more information contact Michael Johnson on (02) 6252 5225, email: [michael.johnson@abs.gov.au](mailto:michael.johnson@abs.gov.au).

# Local Government and ABS

## LOCAL GOVERNMENT & ABS

**Local Government and ABS** is a new newsletter which is now available on the ABS website. This is a quarterly newsletter provided by the ABS to help the Local Government Sector easily find information on the ABS website for planning and other community servicing decisions. To access this on the ABS website, click on 'News', then 'Newsletters'. For more information contact Jeff Bulger on (08) 8237 7621, email: [jeff.bulger@abs.gov.au](mailto:jeff.bulger@abs.gov.au).

# Demographic Statistics

## DEMOGRAPHIC STATISTICS

**Population by Age and Sex, Australian States and Territories, Census Edition - Final** (cat. no. 3201.0) was released in March 2003. This issue contains final estimates of the resident population of Australian states and territories as at 30 June from 1997 to 2001, and preliminary estimates as at 30 June 2002. These are based on the 2001 Census of Population and Housing. For more information contact Genevieve Heard on (02) 6252 7883, email: [genevieve.heard@abs.gov.au](mailto:genevieve.heard@abs.gov.au).

**Australian Demographic Statistics, 2001 Census Edition - Final**, September Quarter 2002 (cat. no. 3101.0) was released in March 2003. It contains final estimates of the resident populations (ERP) of Australia and the states/territories based on the results of the 2001 Census of Population and Housing from September 1996 to June 2001, revised data from September 2001 to June 2002 and preliminary data for September 2002. It also

contains data on the components of population growth (natural increase, net overseas and net interstate migration) for the respective periods, and a special article on how Australia calculates the ERP. For more information contact Anne Ward on (02) 6252 6296, email: [anne.ward@abs.gov.au](mailto:anne.ward@abs.gov.au).

**Population Projections, Australia** (cat. no. 3222.0) is due for release in August 2003. It contains alternative projections (based on different assumptions as to future levels of fertility, mortality and migration) of the resident population of Australia, the states/territories, capital cities and balance of states from 2002 to 2101. For more information contact Katrina Phelan on (02) 6252 6573, email: [katrina.phelan@abs.gov.au](mailto:katrina.phelan@abs.gov.au).

## Statistical Training

### STATISTICAL TRAINING

The ABS NSW Statistical Consultancy will provide a range of training courses throughout the year. Courses offered for the next few months include: Analysing Survey Data Made Simple, 29-30 July; Principles of Questionnaire Design, 19-20 August; Turning Data Into Information, 16-17 September; and Understanding Demographic Data, 21 November. For more information contact the Training Coordinator on (02) 9268 4653, email: [client.services@abs.gov.au](mailto:client.services@abs.gov.au).

## 2001 National Health Survey

### 2001 NATIONAL HEALTH SURVEY

**Accessing the 2001 National Health Survey (NHS) Confidentialised Unit Record File (CURF).** The 2001 NHS CURF was released on 8 April 2003. The CURF is available on CD-ROM and via the new Remote Access Data Laboratory (RADL), a system which allows approved clients access to CURF data at their desktop via a secure internet link. In addition to state/territory information, the RADL file also contains more detailed information than the CD-ROM file for a range of other variables. More information on the data content of both formats is available in the **Information Paper: 2001 National Health Survey: Confidentialised Unit Record File**, which can be downloaded from the ABS website (refer to the 'Access to ABS CURFs' link). For more information contact the ABS CURF Management Unit on (02) 6252 5731, email: [intermediary.management@abs.gov.au](mailto:intermediary.management@abs.gov.au).

## 2003 Survey of Disability, Ageing and Carers

### 2003 SURVEY OF DISABILITY, AGEING AND CARERS

Enumeration of the **2003 Survey of Disability, Ageing and Carers** is due to commence in

June 2003 and will continue through to November 2003. Results from the survey are expected to be released from 30 June 2004. Data will cover three main areas: people with a disability (including disability status, main condition, assistance needed/received, use of aids, use of public transport and employment restrictions); older persons (including assistance needed/received, culture leisure participation, disability status and income); and people who provide assistance to others because of their disability (including carer status, relationship to main recipient, time spent caring for main recipient, need for and receipt of respite care, reasons for caring). For more information contact Ken Black on (02) 6252 7430, email: [ken.black@abs.gov.au](mailto:ken.black@abs.gov.au).

## Rural and Regional Australia

### RURAL AND REGIONAL AUSTRALIA

**Country Matters: Social Atlas of Rural and Regional Australia** (cat. no. 2049.0) is due for release in June 2003. Country Matters has been jointly produced by the Bureau of Rural Sciences and the ABS with funding support from the Rural Industries Research and Development Corporation. The publication focuses on Australia's non-metropolitan population at Statistical Local Area level. It contains maps illustrating key demographic/socio-economic characteristics and social aspects relevant to life in rural and regional Australia; comparisons between 1996 and 2001 Census data; and data from other sources including the Australian Taxation Office, the Department of Family and Community Services and Centrelink. For more information contact James Tuhan on (02) 6252 6294, email: [james.tuhan@abs.gov.au](mailto:james.tuhan@abs.gov.au).

## Criminal Courts

### CRIMINAL COURTS

**Criminal Courts, Australia** (cat. no. 4513.0) was released on 9 April 2003. It presents statistics relating to the criminal jurisdiction of the Higher (Supreme and Intermediate) and Magistrates' Courts of Australia, for the period 1 July 2001 to 30 June 2002. The statistics are based on data extracted from administrative records held by state and territory agencies responsible for courts administration. It provides a picture of the characteristics of defendants dealt with by the Higher Criminal Courts, including information on the offences and sentence types associated with those defendants. Summary data relating to the criminal workload of the Higher Courts for individual years from 1996-97 is also included. For more information email: [crime.justice@abs.gov.au](mailto:crime.justice@abs.gov.au).

## Agriculture Information Development Plan

### AGRICULTURE INFORMATION DEVELOPMENT PLAN

**Development of an Agriculture Information Development Plan (IDP).** The purpose of the IDP is to develop an agreed plan for a national agricultural statistics system that meets the information needs of key stakeholders. This will require extensive consultation and gathering of intelligence from stakeholders. To begin this process, the ABS has prepared a preliminary version of an Agriculture IDP for discussion with stakeholders during May/June 2003. For more information contact Jim Williamson on (02) 6252 5830, email: [jim.williamson@abs.gov.au](mailto:jim.williamson@abs.gov.au).

## Spread the News Electronically

### SPREAD THE NEWS ELECTRONICALLY

Copies of **Statistics News NSW** are available for electronic dissemination. There are two ways to access an electronic copy of the newsletter:

1. Elect to receive your copy of this newsletter in PDF format by contacting Philippa Smedley on (02) 9268 4607, email: [philippa.smedley@abs.gov.au](mailto:philippa.smedley@abs.gov.au). The ABS encourages further dissemination of this newsletter through email, or by its placement on your organisation's intranet.
2. Go to the ABS Web site. Choose News from the menu bar, then go to Newsletters. You can access current and previous copies of **Statistics News NSW**, as well as many other ABS newsletters.
